The President, distinguished guests and adoptive families,

First of all, allow me to thank Dekthaiyim Swiss Group for organizing this timely and important meeting and for the hospitality that has been extended to me and my colleagues during our brief stay in your beautiful country.

It gives me great pleasure once again to see happy adopted children together with their beloved parents here in Switzerland. I have no doubt that these children have been well cared for by Swiss adoptive parents and well integrated in Swiss society. I highly appreciate for all the hard work support that the families have tirelessly done for Thai children. In addition, I wish to express my sincere thanks to Dekthaiyim Swiss Group for the great effort to support Thailand.

Furthermore, in addition, I would like to respectfully inform you that the Ministry of Social Development and Human Security, DCY, has arranged a project to invite adoptive families and Thai adopted children to attend the 9th Nativeland Visit Program every 4 years. The next program will be held in 2019 which will coincide with the 40th anniversary of the Child Adoption Center of Thailand. There will be various activities and the Thai adopted children will have the opportunity to have an audience with Her Royal Highness Princess Maha Chakri Sirindhorn as well as visiting their old orphanage. I would therefore like to invite you to be part of this project.

On behalf of the Ministry of Social Development and Human Security of Thailand, I therefore wish to convey our sincere thanks and appreciation to Dekthaiyim Swiss Group for its continuing cooperation and earnest support for our child welfare.

Thank you very much.

DANKESCHÖN
